2. THE PROPOSED CHANGE OF AUDITOR

2.1 Background and rationale for the Proposed Change of Auditor

The current auditor of the Company, FKT, was first appointed as auditor of the Company on 9 November 2021 and has served as the auditor of the Company since FY2020. FKT was last

LETTER TO SHAREHOLDERS

re-appointed at the last AGM held on 30 April 2024, to hold office until the conclusion of the next AGM.

As part of good corporate governance initiatives and the Group's ongoing efforts to manage its overall business costs and expenses amidst the challenging external environment (which the Company had also disclosed in its interim results announcement for the six months ended 30 June 2024 that the Groups' operating environment in China remains highly competitive while operating costs are increasingly higher), the Board is of the view that it would be an opportune time to review the Proposed Change of Auditor as it would (i) result in total audit fees savings of approximately 26.7% for FY2024, without the change in the scope of audit; and (ii) also enable the Group to benefit from fresh perspectives and views of another professional audit firm.

On 13 August 2024, FKT that it had applied to ACRA to seek its consent to resign as auditor of the Company. On 14 August 2024, and subsequently, following ACRA's approval on 13 September 2024, FKT provided the Company with its notices of resignation (the **"Notices of Resignation"**). On 13 September 2024, FKT received a letter from ACRA consenting to the resignation of FKT as auditor of the Company (the **"ACRA Letter of Consent"**).

In accordance with Section 205AB(5) of the Companies Act, the resignation of FKT as auditor of the Company took effect on 13 September 2024.

FKT had, on 14 August 2024, confirmed, via its professional clearance letter to Forvis Mazars SG (the **"Professional Clearance Letter"**), that it is not aware of any professional reasons why Forvis Mazars SG should not accept the appointment as auditor of the Company. Forvis Mazars SG had, on 19 August 2024, given, via a letter to the Company, its written consent to act as auditor of the Company and has not withdrawn its consent to act as auditor of the Company, subject to Shareholders' approval at an extraordinary general meeting to be convened for the Proposed Change of Auditor.

Pursuant to Rule 712(3) of the Listing Manual and Section 205AF(1) of the Companies Act, the Proposed Change of Auditor must be specifically approved by Shareholders in a general meeting. As ACRA had issued its consent to FKT's resignation pursuant to the ACRA Letter of Consent, the appointment of Forvis Mazars SG as auditor of the Company will be effective upon the approval of the Shareholders being obtained at the EGM. Upon such appointment, Forvis Mazars SG will hold office until the conclusion of the next AGM.

The Board would like to take this opportunity to express its gratitude to FKT for the past services rendered by FKT.

The Company regards express consent as being given where a Shareholder gives notice in writing to the Company that he consents to having notices and documents transmitted to him via electronic communications.

LETTER TO SHAREHOLDERS

- (a) notices and documents may be sent to Shareholders using electronic communications either to a Shareholder's current address (which may be an email address) or by making it available on a website where such Shareholder expressly consents to receiving notices and documents in this manner;
- (b) in relation to Implied Consent, a Shareholder who has not given express consent may nonetheless be implied to have agreed to receive such notice or document by way of electronic communications and shall not have a right to elect to receive a physical copy of such notice or document, unless otherwise provided under applicable laws; and
- (c) in relation to Deemed Consent, notwithstanding sub-paragraph (b) above, the Directors may decide to give Shareholders an opportunity to elect to opt out of receiving such notice or document by way of electronic communications, and a Shareholder is deemed to have consented to receive such notice or document by way of electronic communications if he was given such an opportunity but failed to opt out within the specified time, unless otherwise provided under applicable laws.

Regulation 141 additionally provides for when service is effected in the case of notices or documents sent by electronic communications. In particular, where a notice or document is made available on a website, it is deemed served on the date on which the notice or document is first made available on the website, unless otherwise provided under the Companies Act and/or other applicable regulations or procedures. The proposed amendment of Regulation 141 will enable greater efficiency and cost savings in the transmission of documents from the Company to the Shareholders. In addition, the proposed amendment of Regulation 141 will be in line with the Company's sustainability practices.

For the avoidance of doubt, all electronic communication as well as the service of documents by the Company to Shareholders shall be subject to the Listing Manual. In particular, pursuant to Rules 1210, 1211 and 1212 of the Listing Manual, the Company shall provide, *inter alia*, notices of meetings, proxy forms, request forms for Shareholders to request for physical copies of documents, and the notification of the publication of documents on the Company's website (if applicable), to Shareholders by way of physical copies.

LETTER TO SHAREHOLDERS

This indemnity does not apply where all losses or liabilities (including, any such liability as is mentioned in the Companies Act), which he may sustain or incur in or about the execution of the duties of his office or otherwise in relation thereto happen through his own negligence, wilful default, breach of duty, breach of trust or fraudulent act.

This is consistent with Section 172 of the Companies Act, as amended pursuant to the 2014 Amendment Act.

(vi) Regulation 149

Regulation 149 relates to the indemnity of auditors from any liability which by law would otherwise attach to the auditor in respect of any negligence, default, breach of duty or breach of trust of which the auditor may be guilty in relation to the Company. This has been deleted, which is consistent with Section 208A of the Companies Act, as amended pursuant to the 2014 Amendment Act, which renders any such provision void.

3.4 Amendments for consistency with the Listing Manual

of redemption being determined by the Directors in accordance with the Act, Provided Always that no options shall be granted over unissued shares except in accordance with the Act and the Designated Stock Exchange's listing rules.

(B) The Directors may, at any time after the allotment of any share but before any person has been entered in the Register of Members as the holder, recognise a renunciation thereof by the allottee in favour of some other person and may accord to any allottee of a share a right to effect such renunciation upon and subject to such terms and conditions as the Directors may think fit to impose.

(C) Except so far as otherwise provided by the conditions of issue or by these Regulations, all new shares shall be issued subject to the provisions of the Statutes and of these Regulations with reference to allotment, payment of calls, lien, transfer, transmission, forfeiture or otherwise.

8. (A) Preference shares may be issued subject to such limitation thereof as may be prescribed by the Designated Stock Exchange. Preference shareholders shall have the same rights as ordinary shareholders as regards receiving of notices, reports and balance-sheets and attending General Meetings of the Company, and preference shareholders shall also have the right to vote at any General Meeting convened for the purpose of reducing capital or winding-up or sanctioning a sale of the undertaking of the Company or where the proposal to be submitted to the General Meeting directly affects their rights and privileges or when the Dividend on the preference shares is more than six months in arrears.

- (C) The rights attaching to shares of a class other than ordinary shares shall be expressed in this Constitution.

To every such separate General Meeting all the provisions of these Regulations relating to General Meetings of the Company and to the proceedings thereat shall *mutatis mutandis* apply, except that the necessary quorum shall be two or more persons holding at least one-third of the total number of the issued shares of the class present in person or by proxy or attorney and that any holder of shares of the class present in person or by proxy or attorney may demand a poll, Provided Always that where the necessary majority for such a Special Resolution is not obtained at such General Meeting, the consent in writing, if obtained from the holders of three-quarters of the total number of the issued shares of the class concerned within two months of such General Meeting, shall be as valid and effectual as a Special Resolution carried at such General Meeting.

APPENDIX 1

THE PROPOSED NEW CONSTITUTION

(B) The provisions in Regulation 9(A) shall *mutatis mutandis* apply to any repayment of preference capital (other than redeemable preference capital) and any variation or abrogation of the rights attached to preference shares or any class thereof.

(C) The rights attached to any class of shares having preferential or other rights shall not unless otherwise expressly provided by the terms of issue thereof be deemed to be varied by the creation or issue of further shares ranking as regards participation in the profits or assets of the Company in some or all respects *pad passu* therewith but in no respect in priority thereto.

ALTERATION OF SHARE CAPITAL

10. (A) The Company may by Ordinary Resolution:-
- (a) consolidate and divide all or any of its share capital;

 - (c) sub-divide its shares, or any of them (subject nevertheless to the provisions of the Act, the rules of the Designated Stock Exchange and this Constitution), provided always that in such subdivision the proportion between the amount paid and the amount (if any) unpaid on each reduced share shall be same as it was in the case of the share from which the reduced share is derived; and/or

- (B) The Company may purchase or otherwise acquire its issued shares subject to and in accordance with the provisions of the Statutes (including the Act) and any applicable rules of the Designated Stock Exchange (hereafter, the "**Relevant Laws**"), on such terms and in such manner as it may from time to time think fit, and subject to such conditions as the Company may in General Meeting prescribe in accordance with the Relevant Laws. Any shares purchased or acquired by the Company as aforesaid shall, unless held in treasury in accordance with the Act, be deemed to be cancelled immediately on purchase or acquisition by the Company. On the cancellation of any share as aforesaid, the rights and privileges attached to that share shall expire. In any other instance, the Company may hold or deal with any such share which is so purchased or acquired by it in such manner as may be permitted by, and in accordance with the Relevant Laws. Without prejudice to the generality of the foregoing, upon cancellation of any share purchased or otherwise acquired by the Company pursuant to these Regulations and the Statutes, the number of issued shares of the Company shall be diminished by the number of shares so cancelled, and, where any such cancelled share was purchased or acquired out of the capital of the Company, the amount of share capital of the Company shall be reduced accordingly.

15. (A) Where a Member transfers part only of the shares comprised in a certificate or where a Member requires the Company to cancel any certificate or certificates and issue new certificates for the purpose of subdividing his holding in a different manner, the old certificate or certificates shall be cancelled and a new certificate or certificates for the balance of such shares (in the case of transfer) and the whole of such shares (in the case of sub-division) shall be issued in lieu thereof and the Member shall pay (in the case of subdivision) a maximum fee of S\$2.00 (or such other fee as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) for each new certificate. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof. A call may be revoked or postponed as the Directors may determine.
19. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the sum from the day appointed for payment thereof to the time of actual payment at such rate (not exceeding ten per cent. per annum) as the

APPENDIX 1

THE PROPOSED NEW CONSTITUTION

Directors may determine but the Directors shall be at liberty in any case or cases to waive payment of such interest in whole or in part.

20. Any sum which by the terms of issue of a share becomes payable upon allotment or at any fixed date shall for all the purposes of these Regulations be deemed to be a call duly made and payable on the date on which by the terms of issue the same becomes payable. In the case of non-payment, all the relevant provisions of these Regulations as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.
21. The Directors may on the issue of shares differentiate between the holders as to the amount of calls to be paid and the times of payment.
22. The Directors may if they think fit receive from any Member willing to advance the same all or any part of the monies uncalled and unpaid upon the shares held by him and such payment in advance of calls shall extinguish, so far as the same shall extend, the liability upon the shares in respect of which it is made and upon the monies so received (until and to the extent that the same would but for such advance become payable) the Company may pay interest at such rate (not exceeding eight per cent. per annum, unless the Company in general meeting otherwise directs) as the Member paying such sum and the Directors may agree. Capital paid on shares in advance of calls shall not, whilst bearing interest, confer a right to participate in profits.

FORFEITURE AND LIEN

23. If a Member fails to pay in full any call or instalment of a call on the due date for payment thereof, the Directors may at any time thereafter serve a notice on him requiring payment of so much of the call or instalment as is unpaid together with any interest which may have accrued thereon and any expenses incurred by the Company by reason of such non-payment.
24. The notice shall name a further day (not earlier than the expiration of fourteen days from the date of service of the notice) on or before which and the place where the payment required by the notice is to be made, and shall state that in the event of non-payment in accordance therewith the shares on which the call has been made will be liable to be forfeited.
25. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which such notice has been given may at any time thereafter, before payment of all calls and interest and expenses due in respect thereof has been made, be forfeited by a resolution of the Directors to that effect. Such forfeiture shall include all Dividends declared in respect of the forfeited share and not actually paid before forfeiture. The Directors may accept a surrender of any share liable to be forfeited hereunder.
26. A share so forfeited or surrendered shall become the property of the Company and may be sold, re-allotted or otherwise disposed of either to the person who was before such forfeiture or surrender the holder thereof or entitled thereto or to any other person upon such terms and in such manner as the Directors shall think fit, and at any time before a sale, re-allotment or disposal, the forfeiture or surrender may be cancelled on such terms as the Directors shall think fit. The Directors may, if necessary, authorise some person to transfer a share so forfeited or surrendered to any such other person as aforesaid.
27. A Member whose shares have been forfeited or surrendered shall cease to be a Member in respect of such shares but shall notwithstanding the forfeiture or surrender remain liable to pay to the Company all monies which at the date of forfeiture or surrender were presently payable by him to the Company in respect of such shares with interest thereon at eight per cent. per annum (or such lower rate as the Directors may determine) from the date of forfeiture or surrender until payment and the Directors may at their absolute discretion enforce payment without any allowance for the value of such shares at that time of forfeiture or surrender or waive payment in whole or in part.
28. The Company shall have a first and paramount lien on every share (not being a fully paid share) and Dividends from time to time declared in respect of such shares. Such lien shall be restricted to unpaid calls and instalments upon the specific shares in respect of which such monies are due and unpaid, and to such amounts as the Company may be called upon by law to pay in respect of the shares of the Member or deceased Member. The Directors may waive any lien which has arisen and may resolve that

APPENDIX 1

THE PROPOSED NEW CONSTITUTION

any share shall for some limited period be exempt wholly or partially from the provisions of this Regulation 28.

29. (A) The Company may sell in such manner as the Directors think fit any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable nor until the expiration of fourteen days after a notice in writing stating and demanding payment of the sum presently payable and giving notice of intention to sell in default shall have been given to the holder for the time being of the share or the person entitled thereto (if any) entitled to effect a transmission of the shares and who shall have produced to the Company satisfactory evidence of such capacity and default in payment shall have been made by him or them for fourteen days after such notice. Provided always that if a Member shall have died or become mentally disordered and incapable of managing himself or his affairs or bankrupt and no person shall have given to the Company satisfactory proof of his right to effect a transmission of the shares held by such Member the Directors may exercise such power of sale without serving any such notice.
- (B) In the event of a forfeiture of shares or a sale of shares to satisfy the Company's lien thereon the Member or other person who prior to such forfeiture or sale was entitled thereto shall be bound to deliver and shall forthwith deliver to the Company the certificate or certificates held by him for the shares so forfeited or sold.
30. The net proceeds of such sale after payment of the costs of such sale shall be applied in or towards payment or satisfaction of the debts or liabilities (including unpaid calls and accrued interest and expenses) and any residue shall be paid to the person entitled to the shares at the time of the sale or to his executors, administrators or assignees, as he may direct. For the purpose of giving effect to any such sale, the Directors may authorise some person to transfer the shares sold to the purchaser.
31. A statutory declaration in writing that the declarant is a Director or the Secretary of the Company and that a share has been duly forfeited or surrendered or sold to satisfy a lien of the Company on a date stated in the declaration shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. Such declaration and the receipt by the Company of the consideration (if any) given for the share on the sale, re-allotment or disposal thereof together with the share certificate delivered to a purchaser (or where the purchaser is a Depositor, the Depository Register) or allottee thereof shall (subject to the execution of a transfer if the same be required) constitute a good title to the share and the person to whom the share is sold, re-allotted or disposed of shall be registered as the holder of the share, or where such person is a Depositor, the Company shall procure that his name be entered in the Depository Register in respect of the share so sold, re-allotted or disposed of. Such person shall not be bound to see to the application of the purchase money (if any) nor shall his title to the share be affected by any irregularity or invalidity in the proceedings relating to the forfeiture, surrender, sale, re-allotment or disposal of the share.

TRANSFER OF SHARES

32. (A) All transfers of shares shall be effected by written instruments of transfer in the form for the time being approved by the Directors and the Designated Stock Exchange.
- (B) The instrument of transfer of any share shall be signed by or on behalf of both the transferor and the transferee and be witnessed, provided always that an instrument of transfer in respect of which the transferee is the CDP or its nominee (as the case may be) shall be effective although not signed or witnessed by or on behalf of the CDP or its nominee (as the case may be). The transferor shall be deemed to remain the holder of the shares concerned until the name of the transferee is entered in the Register of Members in respect thereof.
33. The Registers of Members and the Depository Register may be closed, and the registration of transfers may be suspended, at such times and for such periods as the Directors may from time to time determine, Provided Always that such Registers shall not be closed for more than thirty days in any year, and that the Company shall give prior notice of each such closure, as may be required, to the Designated Stock Exchange, stating the period and purpose or purposes for which such closure is made.

APPENDIX 1

THE PROPOSED NEW CONSTITUTION

34. (A) There shall be no restriction on the transfer of fully paid up shares (except where required by law or by the rules, bye-laws or listing rules of the Designated Stock Exchange) but the Directors may in their discretion decline to register any transfer of shares upon which the Company has a lien, and in the case of shares not fully paid up, may refuse to register a transfer to a transferee of whom they do not approve (to the extent permitted by the listing rules of the Designated Stock Exchange), Provided Always that in the event of the Directors refusing to register a transfer of shares, the Company shall within ten market days (or such period as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) after the date on which the application for a transfer of shares was made, serve a notice in writing to the applicant, transferor and/or the transferee stating the facts which are considered to justify the refusal as required by the Statutes.
- (B) The Directors may decline to register any instrument of transfer unless:-
- (a) such fee not exceeding S\$2.00 (or such other fee as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) as the Directors may from time to time require is paid to the Company in respect thereof;
 - (b) the amount of proper duty (if any) with which each instrument of transfer is chargeable under any law for the time being in force relating to stamps is paid;
 - (c) the instrument of transfer is deposited at the Office or at such other place (if any) as the Directors may appoint accompanied by a certificate of payment of stamp duty (if stamp duty is payable on such instrument of transfer in accordance with any law for the time being in force relating to stamp duty), the certificates of the shares to which it relates, and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer and, if the instrument of transfer is executed by some other person on his behalf, the authority of the person so to do; and
 - (d) the instrument of transfer is in respect of only one class of shares.
35. All instruments of transfer which are registered may be retained by the Company, but any instrument of transfer which the Directors may decline to register shall be returned to the person depositing the same except in the case of fraud.
36. The Company shall be entitled to destroy all instruments of transfer which have been registered at any time after the expiration of six years from the date of registration thereof and all Dividend mandates and notifications of change of address at any time after the expiration of six years from the date of recording thereof and all share certificates which have been cancelled at any time after the expiration of six years from the date of the cancellation thereof and it shall conclusively be presumed in favour of the Company that every entry in the Register of Members purporting to have been made on the basis of an instrument of transfer or other document so destroyed was duly and properly made and every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and every share certificate so destroyed was a valid and effective certificate duly and properly cancelled and every other document hereinbefore mentioned so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company, Provided Always that:-
- (a) the provisions aforesaid shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document might be relevant;
 - (b) nothing herein contained shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any other circumstances which would not attach to the Company in the absence of this Regulation; and
 - (c) references herein to the destruction of any document include references to the disposal thereof in any manner.

THE PROPOSED NEW CONSTITUTION

- (B) In the case of the death of a Member who is a Depositor, the survivors or survivor, where the deceased is a joint holder, and the executors or administrators of the deceased, where he was a sole or only surviving holder and where such executors or administrators are entered into the Depository Register in respect of any shares to the deceased Member, shall be the only person(s) recognised by the Company as having any title to his interest in the shares.

The Directors shall, in any case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the share by a Member.
- (B) If the person so becoming entitled elects to be registered himself, he shall deliver or send to the Company a notice in writing (in a form as may be approved by the Directors from time to time) signed by him stating that he so elects. If he elects to have another person registered he shall testify his election by executing to that person a transfer of the share. All the limitations, restrictions and provisions of these Regulations relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the event upon which transmission took place had not occurred and the notice or transfer were a transfer executed by such Member.
39. - (B) The Directors may at any time give notice requiring any person entitled to a share by transmission to elect either to be registered himself or to transfer the share, and if the notice is not complied with within ninety days the Directors may thereafter withhold payment of all dividends, or other moneys payable in respect of the share until the requirements of the notice have been complied with.
40. - 45. The holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards Dividend, return of capital, voting and other matters, as if they held the shares from which the stock arose; but no such privilege or advantage (except as regards participation in the profits or assets of the Company) shall be conferred by an amount of stock which would not, if existing in shares, have conferred such privilege or advantage, and no such conversion shall affect or prejudice any preference or other special privileges attached to the shares so converted.

APPENDIX 1

THE PROPOSED NEW CONSTITUTION

GENERAL MEETINGS

46. Save as otherwise permitted under the Act, an Annual General Meeting shall be held once in every year, at such time (within a period of not more than fifteen months after the holding of the last preceding Annual General Meeting) and place as may be determined by the Directors (subject to the listing rules of the Designated Stock Exchange). All other General Meetings shall be called Extraordinary General Meetings. The interval between the close of a financial year of the Company and the date of the Company's Annual General Meeting shall not exceed four months or such other period as prescribed by the Act and the byelaws and listing rules of the Designated Stock Exchange or other legislation applicable to the Company from time to time.
47. The Directors may whenever they think fit, and shall on requisition in accordance with the Statutes, proceed with proper expedition to convene an Extraordinary General Meeting.

NOTICE OF GENERAL MEETINGS

48. Any Annual General Meeting and any Extraordinary General Meeting at which it is proposed to pass a Special Resolution or (save as provided by the Statutes) a resolution of which special notice has been given to the Company, shall be called by at least twenty-one clear days' notice in writing and an Annual General Meeting or any other Extraordinary General Meeting, by at least fourteen clear days' notice in writing. The period of notice shall in each case be exclusive of the day on which it is served or deemed to be served and of the day on which the General Meeting is to be held and shall be given in manner hereinafter mentioned to all Members other than those who are not under the provisions of these Regulations entitled to receive such notices from the Company, Provided that a General Meeting notwithstanding that it has been called by a shorter notice than that specified above shall be deemed to have been duly called if it is so agreed:-

- (a) in the case of an Annual General Meeting by all the Members entitled to attend and vote thereat; and
- (b) in the case of an Extraordinary General Meeting by a majority in number of the Members having a right to attend and vote thereat, being a majority together holding not less than 95 per cent. of the total voting rights of all the Members having a right to vote at thereat;

Provided also that the accidental omission to give notice to or the non-receipt of notice by any person entitled thereto shall not invalidate the proceedings at any General Meeting. At least fourteen clear days' notice (excluding the date of notice and the date of meeting) of any General Meeting shall be given to shareholders by advertisement in the daily press and in writing to the Designated Stock Exchange, Provided Always that in the case of any Extraordinary General Meeting at which it is proposed to pass a Special Resolution, at least twenty-one clear days' notice in writing (excluding the date of notice and the date of meeting) of such Extraordinary General Meeting shall be given to shareholders by advertisement in the daily press and in writing to the Designated Stock Exchange.

49. (A) Every notice calling a General Meeting shall specify the place, day and hour of the meeting, and there shall appear with reasonable prominence in every such notice a statement that a Member entitled to attend and vote is entitled to appoint a proxy or proxies to attend and vote instead of him and that a proxy need not be a Member of the Company.
- (B) In the case of an Annual General Meeting, the notice shall also specify the meeting as such.
- (C) In the case of any General Meeting at which business other than routine business ("special business") is to be transacted; the notice shall specify the general nature of such business, and if any resolution is to be proposed as a Special Resolution, the notice shall contain a statement to that effect.
50. Routine business shall mean and include only business transacted at an Annual General Meeting of the following classes, that is to say:-
- (a) declaring Dividends;

APPENDIX 1

THE PROPOSED NEW CONSTITUTION

- (b) receiving and adopting the financial statements, the Directors' statement, and the Auditor's reports and other documents required to be attached or annexed to the financial statements;
 - (c) appointing or re-appointing Directors to fill vacancies arising at the meeting on retirement whether by rotation or otherwise;
 - (d) appointing Auditor or re-appointing the retiring Auditor (unless they were last appointed otherwise than by the Company in General Meeting);
 - (e) fixing the remuneration of the Auditor or determining the manner in which such remuneration is to be fixed; and
 - (f) fixing the Directors fees.
51. Any notice of a General Meeting to consider special business shall be accompanied by a statement regarding the effect of any proposed resolution on the Company in respect of such special business.

PROCEEDINGS AT GENERAL MEETINGS

52. The Chairman of the Board of Directors, failing whom the Deputy Chairman, shall preside as chairman at a General Meeting. If there be no such Chairman or Deputy Chairman, or if at any General Meeting neither be present within five minutes after the time appointed for holding the meeting and willing to act, the Directors present shall choose one of their number (or, if no Director be present or if all the Directors present decline to take the chair, the Members present shall choose one of their number) to be chairman of the General Meeting. If required by the listing rules of the Designated Stock Exchange, all general meetings shall be held in Singapore, unless prohibited by relevant laws and regulations of the jurisdiction of the Company's incorporation, or unless such requirement is waived by the Designated Stock Exchange.
53. No business other than the appointment of a Chairman shall be transacted at any General Meeting unless a quorum is present at the time when the meeting proceeds to business. Save as herein otherwise provided, the quorum at any General Meeting shall be two Members present in person or by proxy, provided that (i) a proxy representing more than one Member shall only count as one Member for purpose of determining if the quorum aforesaid is present; and (ii) where a Member is represented by more than one proxy, such proxies of such Member shall only count as one Member for purposes of determining if the quorum aforesaid is present. In addition, for the purposes of a quorum, joint holders of any share shall be treated as one Member.
54. If within thirty minutes from the time appointed for a General Meeting (or such longer interval as the chairman of the meeting may think fit to allow) a quorum is not present, the meeting, if convened on the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week (or if that day is a public holiday then to the next business day following that public holiday) at the same time and place or such other day, time or place as the Directors may by not less than ten days' notice appoint.
55. The chairman of any General Meeting at which a quorum is present may with the consent of the meeting (and shall if so directed by the meeting) adjourn the meeting from time to time (or sine die) and from place to place, but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. Where a General Meeting is adjourned sine die, the time and place for the adjourned meeting shall be fixed by the Directors. When a General Meeting is adjourned for thirty days or more or sine die, not less than seven days' notice of the adjourned meeting shall be given in like manner as in the case of the original meeting. At the adjourned meeting, any one or more Members present in person or by proxy shall be a quorum.
56. Save as hereinbefore expressly provided, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned General Meeting.

APPENDIX 1

THE PROPOSED NEW CONSTITUTION

57. If an amendment shall be proposed to any resolution under consideration but shall in good faith be ruled out of order by the chairman of the General Meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a Special Resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.
58. (A) If required by the listing rules of the Designated Stock Exchange, a resolution put to the vote at any General Meeting shall be decided by a poll (unless such requirement is waived by the Designated Stock Exchange).
- (B) Subject to Regulation 58(A), at any General Meeting, a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded by:-
- (a) the chairman of the meeting; or
 - (b) not less than two Members present in person or by proxy and entitled to vote; or
 - (c) any Member present in person or by proxy, or where such a Member has appointed two or more proxies any one of such proxies, or any number or combination of such Members or proxies, holding or representing as the case may be not less than 5 per cent. of the total voting rights of all the Members having the right to vote at the General Meeting; or
 - (d) any Member present in person or by proxy, or where such a Member has appointed two or more proxies any one of such proxies, or any number or combination of such Members or proxies, holding shares conferring a right to vote at the General Meeting, of which an aggregate sum has been paid up equal to not less than 5 per cent. of the total sum paid up on all the shares conferring that right,
- Provided always that no poll shall be demanded on the choice of a chairman of a General Meeting or on a question of adjournment. A demand for a poll made pursuant to this Regulation 58(B) may be withdrawn only with the approval of the meeting.
- (C) If any votes be counted which ought not to have been counted or might have been rejected, the error shall not vitiate the result of the voting unless it be pointed out at the same General Meeting or at any adjournment thereof and not in any case unless it shall in the opinion of the Chairman be of sufficient magnitude.
59. Unless a poll is required, a declaration by the chairman of the General Meeting that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the minute book, shall be conclusive evidence of that fact without proof of the number or proportion of the votes recorded for or against such resolution. If a poll is required, it shall be taken in such manner (including the use of ballot or voting papers or tickets or electronic means) as the chairman of the General Meeting may direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was required. The chairman of the General Meeting may (and, if required by the listing rules of the Designated Stock Exchange or if so directed by the meeting shall) appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.
60. In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the General Meeting at which the show of hands takes place or at which the poll is required shall be entitled to a casting vote.
61. (A) A poll required on any question shall be taken either immediately or at such subsequent time (not being more than thirty days from the date of the Meeting) and place as the chairman of the Meeting may direct. No notice need be given of a poll not taken immediately. The demand for a poll pursuant to Regulation 58(B) shall not prevent the continuance of the General Meeting for the transaction of any business other than the question on which the poll has been demanded.

APPENDIX 1

THE PROPOSED NEW CONSTITUTION

(B) After the Chairman of any meeting shall have declared the General Meeting to be over and shall have left the chair no business or question shall under any pretext whatsoever be brought forward or discussed.

(C) Subject to the Statutes and to the listing rules of the Designated Stock Exchange, the Members may, if the Directors at their absolute discretion deem fit, participate at a General Meeting by electronic means, including but not limited to electronic communication, video conferencing, teleconferencing or such other electronic means whereby all persons participating in the General Meeting are able to hear and, if applicable, see each other and such participation shall constitute presence in person at such General Meeting and Members, whether present in person or by proxy (where a Member has appointed more than one proxy, any one of such proxies may represent the Member) or by attorney or in the case of a corporation, by a representative, so participating shall be counted in the quorum for the General Meeting. Unless otherwise determined by the Directors, the "place" of such General Meeting (when it is convened, held and/or conducted by electronic means) shall be deemed to be the Company's place of business in Singapore.

VOTES OF MEMBERS

62. (A) Subject to any special rights, privileges or restrictions as to voting attached by or in accordance with these Regulations to any class of shares, and to Regulation 4, each Member entitled to vote may vote in person or by proxy.

(B) On a show of hands every Member who is present in person or by proxy shall have one vote, provided that:

- (a) in the case of a Member who is not a relevant intermediary and who is represented by two proxies, only one of the two proxies as determined by that Member or, failing such determination, by the Chairman of the meeting (or by a person authorised by him) in his sole discretion shall be entitled to vote on a show of hands; and
- (b) in the case of a Member who is a relevant intermediary and who is represented by two or more proxies, each proxy shall be entitled to vote on a show of hands.

(C) On a poll every Member who is present in person or by proxy shall have one vote for every share of which he holds or represents.

(D) For the purposes of determining the number of votes which a Member, being a Depositor, or his proxy or proxies may cast at any General Meeting on a poll, the references to shares held or represented shall, in relation to shares of that Depositor, be the number of shares entered against his name in the Depository Register as at 72 hours before the time of the relevant General Meeting. A Member who is bankrupt shall not, while his bankruptcy continues, be entitled to exercise his rights as a Member, or attend, vote or act at any General Meeting.

63. In the case of joint holders of a share, any one of such persons may vote and be reckoned in a quorum at any General Meeting either personally or by proxy as if he were solely entitled thereto, but if more than one of such persons is present at a meeting, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders and for this purpose seniority shall be determined by the name which stands first in the Register of Members or, as the case may be, the name which appears first in the Depository Register in respect of the joint holding. Several executors or administrators of a deceased Member in whose name any share stands shall for the purpose of this Regulation be deemed joint holders thereof.

64. The Directors may divide the reserve into such special funds as they think fit and may consolidate into one fund any special funds or any parts of any special funds into which the reserve may have been divided. The Directors may also, without placing the same to reserve, carry forward any profits. In carrying sums to reserve and in applying the same, the Directors shall comply with the provisions of the Statutes.

DIVIDENDS

123. The Company may by Ordinary Resolution declare Dividends but no such Dividend shall exceed the amount recommended by the Directors. No Dividends may be paid unless otherwise provided in the Statutes, to the Company in respect of treasury shares.
124. If and so far as in the opinion of the Directors, the profits of the Company justify such payments, the Directors may declare and pay the fixed Dividends on any class of shares carrying a fixed Dividend expressed to be payable on fixed dates on the half-yearly or other dates prescribed for the payment thereof and may also from time to time declare and pay interim Dividends on shares of any class of such amounts and on such dates and in respect of such periods as they think fit.
125. Subject to any rights or restrictions attached to any shares or class of shares and except as otherwise permitted under the Act:-

For the purposes of this Regulation, an amount paid or credited as paid on a share in advance of a call is to be ignored.

126. (A) No Dividend shall be paid otherwise than out of profits available for distribution under the provisions of the Statutes. The payment by the Directors of any unclaimed dividends or other monies payable on or in respect of a share into a separate account shall not constitute the Company a trustee in

APPENDIX 1

THE PROPOSED NEW CONSTITUTION

respect thereof. All Dividends remaining unclaimed after one year from having been first payable may be invested or otherwise made use of by the Directors for the benefit of the Company, and any Dividend or any such monies unclaimed after six (6) years from having been first payable shall be forfeited and shall revert to the Company provided always that the Directors may at any time thereafter at their absolute discretion annul any such forfeiture and pay the Dividend so forfeited to the person entitled thereto prior to the forfeiture. If CDP returns any such Dividend or monies to the Company, the relevant Depositor shall not have any right or claim in respect of such Dividend or monies against the Company if a period of six years has elapsed from the date of the declaration of such Dividend or the date on which such other monies are first payable.

(B) A payment by the Company to CDP of any Dividend or other monies payable to a Depositor shall, to the extent of the payment made, discharge the Company from any liability to the Depositor in respect of that payment.

127. No Dividend or other monies payable on or in respect of a share shall bear interest as against the Company.

128. (A) The Directors may retain any Dividend or other monies payable on or in respect of a share on which the Company has a lien and may apply the same in or towards satisfaction of the debts, liabilities or engagements in respect of which the lien exists.

(B) The Directors may retain the Dividends payable upon shares in respect of which any person is under the provisions as to the transmission of shares hereinbefore contained entitled to become a Member, or which any person is under those provisions entitled to transfer, until such person shall become a Member in respect of such shares or shall transfer the same.

(C) A transfer of shares shall not pass the right to any dividend declared thereon before the registration of the transfer.

129. The waiver in whole or in part of any Dividend on any share by any document (whether or not under seal) shall be effective only if such document is signed by the Member (or the person entitled to the share in consequence of the death or bankruptcy of the holder) and delivered to the Company and if or to the extent that the same is accepted as such or acted upon by the Company.

130. The Company may upon the recommendation of the Directors by Ordinary Resolution direct payment of a Dividend in whole or in part by the distribution of specific assets (and in particular of paid-up shares or debentures of any other company or in any one or more of such ways) and the Directors shall give effect to such resolution. Where any difficulty arises with regard to such distribution, the Directors may settle the same as they think expedient and in particular, may issue fractional certificates, may fix the value for distribution of such specific assets or any part thereof, may determine that cash payments shall be made to any Member upon the footing of the value so fixed in order to adjust the rights of all parties and may vest any such specific assets in trustees as may seem expedient to the Directors.

131. Any Dividend or other monies payable in cash on or in respect of a share may be paid by cheque or warrant sent through the post to the registered address appearing in the Register of Members or (as the case may be) the Depository Register of the Member or person entitled thereto (or, if two or more persons are registered in the Register of Members or (as the case may be) entered in the Depository Register as joint holders of the share or are entitled thereto in consequence of the death or bankruptcy of the holder, to any one of such persons) or to such person and such address as such Member or person or persons may by writing direct.

Every such cheque or warrant shall be made payable to the order of the person to whom it is sent or to such person as the holder or joint holders or person or persons entitled to the share in consequence of the death or bankruptcy of the holder may direct and payment of the cheque or warrant by the banker upon whom it is drawn shall be a good discharge to the Company. Every such cheque or warrant shall be sent at the risk of the person entitled to the money represented thereby.

132. If two or more persons are registered in the Register of Members or (as the case may be) the Depository Register as joint holders of any share, or are entitled jointly to a share in consequence of the death or bankruptcy of the holder, any one of them may give effectual receipts for any Dividend, return of capital or other monies payable or property distributable on or in respect of the share.

APPENDIX 1

THE PROPOSED NEW CONSTITUTION

133. Any resolution declaring a Dividend on shares of any class, whether a resolution of the Company in General Meeting or a resolution of the Directors, may specify that the same shall be payable to the persons registered as the holders of such shares in the Register of Members or (as the case may be) the Depository Register at the close of business on a particular date and thereupon the Dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such Dividend of transferors and transferees of any such shares.
134. (A) Whenever the Directors or the Company in general meeting have resolved or proposed that a dividend (including an interim, final, special or other dividend) be paid or declared on the ordinary shares of the Company, the Directors may further resolve that Members entitled to such dividend be entitled to elect to receive an allotment of ordinary shares credited as fully paid in lieu of cash in respect of the whole or such part of the dividend as the Directors may think fit.

In such case, the following provisions shall apply:

- (a) the basis of any such allotment shall be determined by the Directors;
 - (b) the Directors shall determine the manner in which Members shall be entitled to elect to receive an allotment of ordinary shares credited as fully paid in lieu of cash in respect of the whole or such part of any dividend in respect of which the Directors shall have passed such a resolution as aforesaid, and the Directors may make such arrangements as to the giving of notice to Members, providing for forms of election for completion by Members (whether in respect of a particular dividend or dividends or generally), determining the procedure for making such elections or revoking the same and the place at which and the latest date and time by which any forms of election or other documents by which elections are made or revoked must be lodged, and otherwise make all such arrangements and do all such things, as the Directors consider necessary or expedient in connection with the provisions of this Regulation;
 - (c) the right of election may be exercised in respect of the whole of that portion of the dividend in respect of which the right of election has been accorded provided that the Directors may determine, either generally or in any specific case, that such right shall be exercisable in respect of the whole or any part of that portion; and
 - (d) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on ordinary shares in respect whereof the share election has been duly exercised (the "elected ordinary shares") and in lieu and in satisfaction thereof ordinary shares shall be allotted and credited as fully paid to the holders of the elected ordinary shares on the basis of allotment determined as aforesaid and for such purpose and (notwithstanding any provision of the Regulations to the contrary), the Directors shall be empowered to do all things necessary and convenient for the purpose of implementing the aforesaid including, without limitation, the making of each necessary allotment of shares and of each necessary appropriation, capitalisation, application, payment and distribution of funds which may be lawfully appropriated, capitalised, applied, paid or distributed for the purpose of the allotment and without prejudice to the generality of the foregoing the Directors may (i) capitalise and apply the amount standing to the credit of any of the Company's reserve accounts or any sum standing to the credit of the profit and loss account or otherwise for distribution as the Directors may determine, such sum as may be required to pay up in full the appropriate number of ordinary shares for allotment and distribution to and among the holders of the elected ordinary shares on such basis, or (ii) apply the sum which would otherwise have been payable in cash to the holders of the elected ordinary shares towards payment of the appropriate number of ordinary shares for allotment and distribution to and among the holders of the elected ordinary shares on such basis.
- (B) (a) The ordinary shares allotted pursuant to the provisions of paragraph (A) of this Regulation shall rank *par passu* in all respects with the ordinary shares then in issue save only as regards participation in the dividend which is the subject of the election referred to above (including the right to make the election referred to above) or any other distributions, bonuses or rights paid, made, declared or announced prior to or

APPENDIX 1

THE PROPOSED NEW CONSTITUTION

contemporaneous with the payment or declaration of the dividend which is the subject of the election referred to above, unless the Directors shall otherwise specify.

- (b) The Directors may do all acts and things considered necessary or expedient to give effect to any appropriation, capitalisation, application, payment and distribution of funds pursuant to the provisions of paragraph (A) of this Regulation, with full power to make such provisions as they think fit in the case of fractional entitlements to shares (including, notwithstanding any provision to the contrary in these Regulations, provisions whereby, in whole or in part, fractional entitlements are disregarded or rounded up or down), or whereby the benefit of fractional entitlements accrues to the Company rather than the Members) and to authorize any person to enter on behalf of all the Members interested into an agreement with the Company providing for any such appropriation, capitalisation, application, payment and distribution of funds and matters incidental thereto and any agreement made under such authority shall be effective and binding on all concerned
- (c) the Directors shall determine the manner in which Members shall be entitled to elect to receive an allotment of ordinary shares credited as fully paid in lieu of cash in respect of the whole or such part of any dividend in respect of which the Directors shall have passed such a resolution as aforesaid, and the Directors may make such arrangements as to the giving of notice to Members, providing for forms of election for completion by Members (whether in respect of a particular dividend or dividends or generally), determining the procedure for making such elections or revoking the same and the place at which and the latest date and time by which any forms of election or other documents by which elections are made or revoked must be lodged, and otherwise make all such arrangements and do all such things, as the Directors consider necessary or expedient in connection with the provisions of this Regulation 134.

(C) The Directors may, on any occasion when they resolve as provided in paragraph (A) of this Regulation 134, determine that the rights of election under that paragraph shall not be made available to the persons who are registered as holders of ordinary shares in the Register of Members or (as the case may be) in the Depository Register, or in respect of ordinary shares the transfer of which is registered, after such date as the Directors may fix subject to such exceptions as the Directors think fit, and in such event the provisions of this Regulation 134 shall be read and construed subject to such determination.

(D) The Directors may, on any occasion when they resolve as provided in paragraph (A) of this Regulation 134, further determine that no allotment of ordinary shares or rights of election for ordinary shares under that paragraph shall be made available or made to Members whose registered addresses entered the Register of Members or (as the case may be) the Depository Register is outside Singapore or to such other Members or class of Members as the Directors may in their sole discretion decide and in such event the only entitlements of the Members aforesaid shall be to receive in cash the relevant dividend resolved or proposed to be paid or declared.

(E) Notwithstanding the foregoing provisions of this Regulation 134, if at any time after the Directors' resolution to apply the provisions of paragraph (A) of this Regulation 134 in relation to any dividend but prior to the allotment of ordinary shares pursuant thereto, the Directors shall consider that by reason of any event or circumstance (whether arising before or after such resolution) or by reason of any matter whatsoever it is no longer expedient or appropriate to implement that proposal, the Directors may at their absolute discretion and as they deem fit in the interest of the Company, cancel the proposed application of paragraph (A) of this Regulation 134.

(B) The Directors may do all acts and things considered necessary or expedient to give effect to any such bonus issue or capitalisation under this Regulation 135, with full power to the Directors to make such provisions as they think fit for any fractional entitlements which would arise on the basis aforesaid (including provisions whereby fractional entitlements are disregarded or the benefit thereof accrues to the Company rather than to the Members concerned). The Directors may authorise any person to enter on behalf of all the Members interested into an agreement with the Company providing for any such bonus issue or capitalisation and matters incidental thereto and any agreement made under such authority shall be effective and binding on all concerned.

APPENDIX 1

THE PROPOSED NEW CONSTITUTION

(D) Notwithstanding Regulation 141(C) above, the Directors may, at their discretion, at any time give a Member an opportunity to elect within a specified period of time whether to receive such notice or document by way of electronic communications or as a physical copy, and such Member shall be deemed to have consented to receive such notice or document by way of electronic communications if he was given such an opportunity and he failed to make an election within the specified time, and he shall not in such an event have a right to receive a physical copy of such notice or document, unless otherwise provided under applicable laws.

Any notice given to that one of the joint holders of a share whose name stands first in the Register of Members or (as the case may be) the Depository Register in respect of the share shall be sufficient notice to all the joint holders in their capacity as such. For such purpose, a joint holder having no registered address in Singapore and not having supplied an address within Singapore for the service of notices shall be disregarded.
143. A person entitled to a share in consequence of the death or bankruptcy of a Member upon supplying to the Company such evidence as the Directors may reasonably require to show his title to the share, and upon supplying also to the Company or (as the case may be) CDP an address within Singapore for the service of notices, shall be entitled to have served upon or delivered to him at such address any notice or document to which the Member but for his death or bankruptcy would have been entitled, and such service or delivery shall for all purposes be deemed a sufficient service or delivery of such notice or document on all persons interested (whether jointly with or as claiming through or under him) in the share. APPENDIX 1

THE PROPOSED NEW CONSTITUTION

146. The Directors shall have power in the name and on behalf of the Company to present a petition to the court for the Company to be wound up.
147. If the Company shall be wound up (whether the liquidation is voluntary, under supervision, or by the court) the Liquidator may, with the authority of a Special Resolution, divide among the Members in specie or in kind the whole or any part of the assets of the Company and whether or not the assets shall consist of property of one kind or shall consist of properties of different kinds, and may for such purpose set such value as he deems fair upon any one or more class or classes of property and may determine how such division shall be carried out as between the Members of different classes of Members. Any such division may be otherwise than in accordance with the existing rights of the Members or different classes of Members, but so that if any division is resolved or otherwise than in accordance with such rights, the Members shall have the same right of dissent and consequential rights as if such resolution were a Special Resolution passed pursuant to the Act. A Special Resolution sanctioning a transfer or sale to another company duly passed pursuant to the Act may in like manner authorise the distribution of any shares or other consideration receivable by the liquidators amongst the Members otherwise than in accordance with their existing rights; and any such determination shall be binding upon all members subject to the right of dissent and consequential rights conferred by the Act. The Liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of Members as the Liquidator with the like authority shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but so that no contributory shall be compelled to accept any shares or other property in respect of which there is a liability.

INDEMNITY

148. Subject to the provisions of and so far as may be permitted by the Statutes, every Director or other officer of the Company shall be entitled to be indemnified out of the assets of the Company against all losses or liabilities (including, any such liability as is mentioned in the Act), which he may sustain or incur in or about the execution of the duties of his office or otherwise in relation thereto. This indemnity does not apply where all losses or liabilities (including, any such liability as is mentioned in the Companies Act), which he may sustain or incur in or about the execution of the duties of his office or otherwise in relation thereto happen through his own negligence, wilful default, breach of duty, breach of trust or fraudulent act.
149. (deleted).
150. The Company must not indemnify any person in respect of any costs, charges, losses, expenses and liabilities, or pay any premium for a contract in pursuance thereto, if and to the extent that the Company is prohibited by law from doing so.

151. (A) A Member who is a natural person is deemed to have consented to the collection, use and disclosure of his personal data (whether such personal data is provided by that Member or is collected through a third party) by the Company (or its agents or service providers) from time to time for any of the following purposes:

otherwise as the Directors may think fit, and any shares may be issued with such preferential, deferred, qualified or special rights, privileges or conditions as the Directors may think fit, and preference shares may be issued which are or at the option of the Company are liable to be redeemed, the terms and manner of redemption being determined by the Directors in accordance with the Act, Provided Always that no options shall be granted over unissued shares except in accordance with the Act and the Designated Stock Exchange's listing rules.

(B) The Directors may, at any time after the allotment of any share but before any person has been entered in the Register of Members as the holder, recognise a renunciation thereof by the allottee in favour of some other person and may accord to any allottee of a share a right to effect such renunciation upon and subject to such terms and conditions as the Directors may think fit to impose.

(C) Except so far as otherwise provided by the conditions of issue or by these Regulations, all new shares shall be issued subject to the provisions of the Statutes and of these Regulations with reference to allotment, payment of calls, lien, transfer, transmission, forfeiture or otherwise.

(D) Except as herein provided, no person shall exercise any rights or privileges of a Member until he is registered in the Register of Members or (as the case may be) the Depository Register as a Member and shall have paid all calls and other moneys due for the time being on every share held by him.

(E) No shares shall be issued to transfer a controlling interest in the Company without the prior approval of the Members in a ~~g~~General ~~m~~Meeting.

4. The Company shall not exercise any right in respect of treasury shares other than as provided by the Act. Subject thereto, the Company may hold or deal with its treasury shares in the manner authorised by, or prescribed pursuant to, the Act.

5. (A) Subject to any direction to the contrary that may be given by the Company in General Meeting or except as permitted by the rules of the Designated Stock Exchange, all new shares shall before issue be offered to such persons who as at the date of the offer are entitled to receive notices from the Company of General Meetings in proportion, as far as the circumstances admit, to the number of the existing shares to which they are entitled. In offering such new shares in the first instance to all the then holders of any class of shares, the offer shall be made by notice specifying the number of shares offered, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and, after the expiration of the aforesaid time, or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares offered, the Directors may dispose of those shares in such manner as they think most beneficial to the Company. - (2) in exercising the authority conferred by the Ordinary Resolution, the Company shall comply with the provisions of the listing rules of the Designated Stock Exchange for the time being in force (unless such compliance is waived by the Designated Stock Exchange) and these Regulations; and
- (3) (unless revoked or varied by the Company in General Meeting) the authority conferred by the Ordinary Resolution shall not continue in force beyond the conclusion of the Annual General Meeting of the Company next following the passing of the Ordinary Resolution, or the date by which such Annual General Meeting of the Company is required by law to be held, or the expiration of such other period as may be prescribed by the Act (whichever is the earliest).

(C) The Company may, notwithstanding Regulations 5(A) and 5(B) above, authorise the Directors not to offer new shares to Members to whom by reason of foreign securities laws, such offers may not be made without registration of the shares or a prospectus or other document, but to sell the entitlements to the new shares on behalf of such Members on such terms and conditions as the Company may direct.

- 6. The Company may pay commissions or brokerage on any issue of shares at such rate or amount and in such manner as the Directors may deem fit. Such commissions or brokerage may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in one way and partly in the other.

- 7. Where any shares are issued for the purpose of raising money to defray the expenses of the construction of any works or buildings or the provision of any plant which cannot be made profitable for a long period, the Company may pay interest on so much of that share capital as is for the time being paid up for the period and charge the same to capital as part of the cost of the construction of the works or buildings or the provision of the plant, subject to the conditions and restrictions mentioned in the Act.

- 8. (A) Preference shares may be issued subject to such limitation thereof as may be prescribed by the Designated Stock Exchange. Preference shareholders shall have the same rights as ordinary shareholders as regards receiving of notices, reports and balance-sheets and attending General Meetings of the Company, and preference shareholders shall also have the right to vote at any General Meeting convened for the purpose of reducing capital or winding-up or sanctioning a sale of the undertaking of the Company or where the proposal to be submitted to the General Meeting directly affects their rights and privileges or when the Dividend on the preference shares is more than six months in ~~arrear~~arrears.

(B) The Company has power to issue further preference capital ranking equally with, or in priority to, preference shares already issued.

(C) The rights attaching to shares of a class other than ordinary shares shall be expressed in this Constitution.

(D) The Company may issue shares for which no consideration is payable to the Company.

VARIATION OF RIGHTS

- 9. (A) Whenever the share capital of the Company is divided into different classes of shares, the variation or abrogation of the special rights attached to any class may, subject to the provisions of the Act, only be made either with the consent in writing of the holders of three-quarters of the total number of the issued shares of the class or with the sanction of a Special Resolution passed at a separate General Meeting of the holders of the shares of the class (but not otherwise) and may be so made either whilst the Company is a going concern or during or in contemplation of a winding-up. To every such separate General Meeting all the provisions of these Regulations relating to General Meetings of the Company and to the proceedings thereat shall *mutatis mutandis* apply, except that the necessary quorum shall be two or more persons holding at least one-third of the total number of the issued shares of the class present in person or by proxy or attorney and that any holder of shares of the class present in person or by proxy or attorney may demand a poll, Provided Always that where the necessary majority for such a Special Resolution is not obtained at such General Meeting, the consent in writing, if obtained from the holders of three-quarters of the total

THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

number of the issued shares of the class concerned within two months of such General Meeting, shall be as valid and effectual as a Special Resolution carried at such General Meeting.

(B) The provisions in Regulation 9(A) shall *mutatis mutandis* apply to any repayment of preference capital (other than redeemable preference capital) and any variation or abrogation of the rights attached to preference shares or any class thereof.

(C) The rights attached to any class of shares having preferential or other rights shall not unless otherwise expressly provided by the terms of issue thereof be deemed to be varied by the creation or issue of further shares ranking as regards participation in the profits or assets of the Company in some or all respects *pad passu* therewith but in no respect in priority thereto.

ALTERATION OF SHARE CAPITAL

10. (A) The Company may by Ordinary Resolution:-
- (a) consolidate and divide all or any of its share capital;
 - (b) cancel the number of shares which at the date of the passing of the resolution in that behalf have not been taken or agreed to be taken by any person or which have been forfeited and diminish the amount of its share capital by the number of the shares so cancelled;
 - (c) sub-divide its shares, or any of them (subject nevertheless to the provisions of the Act, the rules of the Designated Stock Exchange and this Constitution), provided always that in such subdivision the proportion between the amount paid and the amount (if any) unpaid on each reduced share shall be same as it was in the case of the share from which the reduced share is derived; and/or
 - (d) subject to the provisions of this Constitution and the Act, convert its share capital or any class of shares from one currency to another currency.
- (B) The Company may by Special Resolution, subject to and in accordance with the Act, convert one class of shares into another class of shares.
11. (A) The Company may reduce its share capital or any other undistributable reserve in any manner permitted, and with, and subject to, any incident authorised, and consent or confirmation required, by law.

(B) The Company may purchase or otherwise acquire its issued shares subject to and in accordance with the provisions of the Statutes (including the Act) and any applicable rules of the Designated Stock Exchange (hereafter, the "**Relevant Laws**"), on such terms and in such manner as it may from time to time think fit, and subject to such conditions as the Company may in General Meeting prescribe in accordance with the Relevant Laws. Any shares purchased or acquired by the Company as aforesaid shall, unless held in treasury in accordance with the Act, be deemed to be cancelled immediately on purchase or acquisition by the Company. On the cancellation of any share as aforesaid, the rights and privileges attached to that share shall expire. In any other instance, the Company may hold or deal with any such share which is so purchased or acquired by it in such manner as may be permitted by, and in accordance with the Relevant Laws. Without prejudice to the generality of the foregoing, upon cancellation of any share purchased or otherwise acquired by the Company pursuant to these Regulations and the Statutes, the number of issued shares of the Company shall be diminished by the number of shares so cancelled, and, where any such cancelled share was purchased or acquired out of the capital of the Company, the amount of share capital of the Company shall be reduced accordingly.

SHARE CERTIFICATES

12. (A) Every certificate shall be issued under the Seal or as an alternative to sealing, executed by the authorised persons in the manner set out under the Act, in such form as the Directors shall from time to time prescribe ~~and shall bear the facsimile signatures or the autographic signatures at least of any two Directors or one of the Director and the Secretary or such other person as may be authorised by the Directors~~, and shall specify the number and class of shares to which it relates, whether the shares are

fully or partly paid up, and the amount (if any) unpaid thereon. The facsimile signatures may be reproduced by mechanical or other means provided the method or system of reproducing signatures has first been approved by the Directors of the Company. No certificate shall be issued representing shares of more than one class.

- (B) The provisions in this Regulation and in Regulations 13 to 16 (so far as they are applicable) shall not apply to transfer of book-entry securities.
13. (A) The Company shall not be bound to register more than three persons as joint holders of a share except in the case of executors, trustees or administrators of the estate of a deceased Member.
- (B) Only one certificate shall be issued in respect of any share.
- (C) In the case of a share held jointly by several persons, the Company shall not be bound to issue more than one certificate therefor and delivery of a certificate to any one of the joint holders shall be sufficient delivery to all. Only the person whose name stands first in the Register of Members as one of the joint holders of any share shall be entitled to delivery of the certificate relating to such share.
14. Every person whose name is entered as a Member in the Register of Members shall be entitled, within ten market days (or such period as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) after the closing date of any application for shares or the date of lodgement of a registrable transfer or on a transmission of shares (as the case may be), to receive one certificate for all his shares of any one class or to several certificates in reasonable denominations each for a part of the shares so allotted or transferred.
15. (A) Where a Member transfers part only of the shares comprised in a certificate or where a Member requires the Company to cancel any certificate or certificates and issue new certificates for the purpose of subdividing his holding in a different manner, the old certificate or certificates shall be cancelled and a new certificate or certificates for the balance of such shares (in the case of transfer) and the whole of such shares (in the case of sub-division) shall be issued in lieu thereof and the Member shall pay (in the case of subdivision) a maximum fee of S\$2.00 (or such other fee as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) for each new certificate. Where only some of the shares comprised in a share certificate are transferred, the new certificate for the balance of such shares shall be issued in lieu thereof without charge.
- (B) Any two or more certificates representing shares of any one class held by any Member may at his request be cancelled and a single new certificate for such shares issued in lieu thereof without charge.
16. Subject to the provisions of the Statutes, if any share certificate shall be defaced, worn out, destroyed, lost or stolen, it may be renewed on such evidence being produced and a letter of indemnity (if required) being given by the shareholder, transferee, person entitled, purchaser, member firm or member company of the Designated Stock Exchange or on behalf of its or their client or clients as the Directors shall require, and in case of defacement or wearing out on delivery of the old certificate, and in any case on payment of such sum not exceeding S\$2.00 (or such other fee as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) as the Directors may from time to time require. In the case of destruction, loss or theft, a shareholder or person entitled to, and to whom such renewed certificate is given shall also bear the loss and pay to the Company all expenses incidental to the investigations by the Company of the evidence of such destruction or loss.

CALLS ON SHARES

17. The Directors may from time to time make calls upon the Members in respect of any monies unpaid on their shares but subject always to the terms of issue of such shares. A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed and may be made payable by instalments.
18. Each Member shall (subject to receiving at least fourteen days' notice specifying the time or times and place of payment) pay to the Company at the time or times and place so specified the amount called on

APPENDIX 2

his shares. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof. A call may be revoked or postponed as the Directors may determine.

19. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the sum from the day appointed for payment thereof to the time of actual payment at such rate (not exceeding ten per cent. per annum) as the Directors may determine but the Directors shall be at liberty in any case or cases to waive payment of such interest in whole or in part.
20. Any sum which by the terms of issue of a share becomes payable upon allotment or at any fixed date shall for all the purposes of these Regulations be deemed to be a call duly made and payable on the date on which by the terms of issue the same becomes payable. In the case of non-payment, all the relevant provisions of these Regulations as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.
21. The Directors may on the issue of shares differentiate between the holders as to the amount of calls to be paid and the times of payment.
22. The Directors may if they think fit receive from any Member willing to advance the same all or any part of the monies uncalled and unpaid upon the shares held by him and such payment in advance of calls shall extinguish, so far as the same shall extend, the liability upon the shares in respect of which it is made and upon the monies so received (until and to the extent that the same would but for such advance become payable) the Company may pay interest at such rate (not exceeding eight per cent. per annum, unless the Company in general meeting otherwise directs) as the Member paying such sum and the Directors may agree. Capital paid on shares in advance of calls shall not, whilst bearing interest, confer a right to participate in profits.

FORFEITURE AND LIEN

23. If a Member fails to pay in full any call or instalment of a call on the due date for payment thereof, the Directors may at any time thereafter serve a notice on him requiring payment of so much of the call or instalment as is unpaid together with any interest which may have accrued thereon and any expenses incurred by the Company by reason of such non-payment.
24. The notice shall name a further day (not earlier than the expiration of fourteen days from the date of service of the notice) on or before which and the place where the payment required by the notice is to be made, and shall state that in the event of non-payment in accordance therewith the shares on which the call has been made will be liable to be forfeited.
25. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which such notice has been given may at any time thereafter, before payment of all calls and interest and expenses due in respect thereof has been made, be forfeited by a resolution of the Directors to that effect. Such forfeiture shall include all Dividends declared in respect of the forfeited share and not actually paid before forfeiture. The Directors may accept a surrender of any share liable to be forfeited hereunder.
26. A share so forfeited or surrendered shall become the property of the Company and may be sold, re-allotted or otherwise disposed of either to the person who was before such forfeiture or surrender the holder thereof or entitled thereto or to any other person upon such terms and in such manner as the Directors shall think fit, and at any time before a sale, re-allotment or disposal, the forfeiture or surrender may be cancelled on such terms as the Directors shall think fit. The Directors may, if necessary, authorise some person to transfer a share so forfeited or surrendered to any such other person as aforesaid.
27. A Member whose shares have been forfeited or surrendered shall cease to be a Member in respect of such shares but shall notwithstanding the forfeiture or surrender remain liable to pay to the Company all monies which at the date of forfeiture or surrender were presently payable by him to the Company in respect of such shares with interest thereon at eight per cent. per annum (or such lower rate as the Directors may determine) from the date of forfeiture or surrender until payment and the Directors may at their absolute discretion enforce payment without any allowance for the value of such shares at that time of forfeiture or surrender or waive payment in whole or in part.

APPENDIX 2

THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

28. The Company shall have a first and paramount lien on every share (not being a fully paid share) and Dividends from time to time declared in respect of such shares. Such lien shall be restricted to unpaid calls and instalments upon the specific shares in respect of which such monies are due and unpaid, and to such amounts as the Company may be called upon by law to pay in respect of the shares of the Member or deceased Member. The Directors may waive any lien which has arisen and may resolve that any share shall for some limited period be exempt wholly or partially from the provisions of this Regulation 28.
29. Provided also that the accidental omission to give notice to or the non-receipt of notice by any person entitled thereto shall not invalidate the proceedings at any General Meeting. At least fourteen clear days' notice (excluding the date of notice and the date of meeting) of any General Meeting shall be given to shareholders by advertisement in the daily press and in writing to the Designated Stock Exchange, Provided Always that in the case of any Extraordinary General Meeting at which it is proposed to pass a Special Resolution, at least twenty-one clear days' notice in writing (excluding the date of notice and the date of meeting) of such Extraordinary General Meeting shall be given to shareholders by advertisement in the daily press and in writing to the Designated Stock Exchange.

49. (A) Every notice calling a General Meeting shall specify the place, day and hour of the meeting, and there shall appear with reasonable prominence in every such notice a statement that a Member entitled to attend and vote is entitled to appoint a proxy or proxies to attend and vote instead of him and that a proxy need not be a Member of the Company.

52. The Chairman of the Board of Directors, failing whom the Deputy Chairman, shall preside as chairman at a General Meeting. If there be no such Chairman or Deputy Chairman, or if at any General Meeting neither be present within five minutes after the time appointed for holding the meeting and willing to act, the Directors present shall choose one of their number (or, if no Director be present or if all the Directors present decline to take the chair, the Members present shall choose one of their number) to be chairman of the General Meeting. If required by the listing rules of the Designated Stock Exchange, all general meetings shall be held in Singapore, unless prohibited by relevant laws and regulations of the jurisdiction of the Company's incorporation, or unless such requirement is waived by the Designated Stock Exchange.
53. No business other than the appointment of a Chairman shall be transacted at any General Meeting unless a quorum is present at the time when the meeting proceeds to business. Save as herein otherwise provided, the quorum at any General Meeting shall be two Members present in person or by proxy, provided that (i) a proxy representing more than one Member shall only count as one Member for purpose of determining if the quorum aforesaid is present; and (ii) where a Member is represented by more than one proxy, such proxies of such Member shall only count as one Member for purposes of determining if the quorum aforesaid is present. In addition, for the purposes of a quorum, joint holders of any share shall be treated as one Member.
54. If within thirty minutes from the time appointed for a General Meeting (or such longer interval as the chairman of the meeting may think fit to allow) a quorum is not present, the meeting, if convened on the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week (or if that day is a public holiday then to the next business day following that public holiday) at the same time and place or such other day, time or place as the Directors may by not less than ten days' notice appoint.
55. The chairman of any General Meeting at which a quorum is present may with the consent of the meeting (and shall if so directed by the meeting) adjourn the meeting from time to time (or sine die) and from place to place, but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. Where a General Meeting is adjourned sine die, the time and place for the adjourned meeting shall be fixed by the Directors. When a General Meeting is adjourned for thirty days or more or sine die, not less than seven days' notice of the adjourned meeting shall be given in like manner as in the case of the original meeting. 57. If an amendment shall be proposed to any resolution under consideration but shall in good faith be ruled out of order by the chairman of the General Meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a Special Resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.

APPENDIX 2

THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

58. (A) If required by the listing rules of the Designated Stock Exchange, a resolution put to the vote at any General Meeting shall be decided by a poll (unless such requirement is waived by the Designated Stock Exchange).

(B) Subject to Regulation 58(A), at any General Meeting, a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded by:-

- (a) the chairman of the meeting; or
- (b) not less than two Members present in person or by proxy and entitled to vote; or
- (c) any Member present in person or by proxy, or where such a Member has appointed two or more proxies any one of such proxies, or any number or combination of such Members or proxies, holding or representing as the case may be not less than 5 per cent. of the total voting rights of all the Members having the right to vote at the General Meeting; or
- (d) any Member present in person or by proxy, or where such a Member has appointed two or more proxies any one of such proxies, or any number or combination of such Members or proxies, holding shares conferring a right to vote at the General Meeting, of which an aggregate sum has been paid up equal to not less than 5 per cent. of the total sum paid up on all the shares conferring that right,

Provided always that no poll shall be demanded on the choice of a chairman of a General Meeting or on a question of adjournment. A demand for a poll made pursuant to this Regulation 58(B) may be withdrawn only with the approval of the meeting.

(C) If any votes be counted which ought not to have been counted or might have been rejected, the error shall not vitiate the result of the voting unless it be pointed out at the same General Meeting or at any adjournment thereof and not in any case unless it shall in the opinion of the Chairman be of sufficient magnitude.

59. Unless a poll is required, a declaration by the chairman of the General Meeting that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the minute book, shall be conclusive evidence of that fact without proof of the number or proportion of the votes recorded for or against such resolution. If a poll is required, it shall be taken in such manner (including the use of ballot or voting papers or tickets or electronic means) as the chairman of the General Meeting may direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was required. The chairman of the General Meeting may (and, if required by the listing rules of the Designated Stock Exchange or if so directed by the meeting shall) appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.

60. In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the General Meeting at which the show of hands takes place or at which the poll is required shall be entitled to a casting vote.

61. (A) A poll required on any question shall be taken either immediately or at such subsequent time (not being more than thirty days from the date of the Meeting) and place as the chairman of the Meeting may direct. No notice need be given of a poll not taken immediately. The demand for a poll pursuant to Regulation 58(B) shall not prevent the continuance of the General Meeting for the transaction of any business other than the question on which the poll has been demanded.

(B) After the Chairman of any meeting shall have declared the General Meeting to be over and shall have left the chair no business or question shall under any pretext whatsoever be brought forward or discussed.

(C) Subject to the Statutes and to the listing rules of the Designated Stock Exchange, the Members may, if the Directors at their absolute discretion deem fit, participate at a General Meeting by electronic means, including but not limited to electronic communication, video conferencing, teleconferencing or such other electronic means whereby all persons participating in the General Meeting are able to hear and, if applicable, see each other and such participation shall constitute presence in person at such

A Member who is bankrupt shall not, while his bankruptcy continues, be entitled to exercise his rights as a Member, or attend, vote or act at any General Meeting.
63. In the case of joint holders of a share, any one of such persons may vote and be reckoned in a quorum at any General Meeting either personally or by proxy as if he were solely entitled thereto, but if more than one of such persons is present at a meeting, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders and for this purpose seniority shall be determined by the name which stands first in the Register of Members or, as the case may be, the name which appears first in the Depository Register in respect of the joint holding. Several executors or administrators of a deceased Member in whose name any share stands shall for the purpose of this Regulation be deemed joint holders thereof.
64. Where in Singapore or elsewhere a receiver or other person (by whatever name called) has been appointed by any court claiming jurisdiction in that behalf to exercise powers with respect to the property or affairs of any Member on the ground (however formulated) of mental disorder, the Directors may in their absolute discretion, upon or subject to production of such evidence of the appointment as the Directors may require, permit such receiver or other person on behalf of such Member, to vote in person or by proxy at any General Meeting, or to exercise any other right conferred by membership in relation to meetings of the Company.
65. No Member shall unless the Directors otherwise determine be entitled in respect of shares held by him to vote at a General Meeting either personally or by proxy or to exercise any other right conferred by membership in relation to General Meetings if any call or other sum payable by him to the Company in respect of such shares remains unpaid.
66. No objection shall be raised as to the qualification of any voter or admissibility of any vote except at the General Meeting or adjourned General Meeting at which the vote objected to is or may be given or tendered and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection shall be referred to the chairman of the General Meeting whose decision shall be final and conclusive.

APPENDIX 2

THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

68. (A) Save as otherwise provided in the Act:
- (a) a Member who is not a relevant intermediary may appoint not more than two proxies to attend, speak and vote at the same General Meeting. Where such Member's form of proxy appoints more than one proxy, the proportion of the shareholding concerned to be represented by each proxy shall be specified in the form of proxy; and
 - (b) a Member who is a relevant intermediary may appoint more than two proxies to attend, speak and vote at the same General Meeting, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such Member. Where such Member's form of proxy appoints more than two proxies, the number and class of shares in relation to which each proxy has been appointed shall be specified in the form of proxy.
- (B) (a) In any case where a Member is a Depositor, the Company shall be entitled and bound:-

- (b) The Company shall be entitled and bound, in determining rights to vote and other matters in respect of a completed instrument of proxy submitted to it, to have regard to the instructions (if any) given by and the notes (if any) set out in the instrument of proxy.
- (C) Where a Member appoints more than one proxy, the Member shall specify the proportion of his shares to be represented by each such proxy, failing which the nomination shall be deemed to be alternative.
- (D) A proxy need not be a Member of the Company.
69. (A) An instrument appointing a proxy for any Member shall be in writing in any usual or common form or in any other form which the Directors may approve and:-

(b) designate the procedure for authenticating an instrument appointing a proxy,

87. 88. The Company may by Ordinary Resolution appoint any person to be a Director either as an additional Director or to fill a casual vacancy. Without prejudice thereto the Directors shall also have power at any time so to do, but so that the total number of Directors shall not thereby exceed the maximum number fixed by or in accordance with these Regulations. A retiring Director shall be eligible for re-election.
91. The Company at a General Meeting at which a Director retires under any provision of these Regulations may by Ordinary Resolution fill the office being vacated by electing thereto the retiring Director or some other person eligible for appointment. RESERVES

APPENDIX 2

THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

122. The Directors may from time to time set aside out of the profits of the Company and carry to reserve such sums as they think proper which, at the discretion of the Directors, shall be applicable for any purpose to which the profits of the Company may properly be applied and pending such application may either be employed in the business of the Company or be invested. The Directors may divide the reserve into such special funds as they think fit and may consolidate into one fund any special funds or any parts of any special funds into which the reserve may have been divided. The Directors may also, without placing the same to reserve, carry forward any profits. In carrying sums to reserve and in applying the same, the Directors shall comply with the provisions of the Statutes.

DIVIDENDS

123. The Company may by Ordinary Resolution declare Dividends but no such Dividend shall exceed the amount recommended by the Directors. No Dividends may be paid unless otherwise provided in the Statutes, to the Company in respect of treasury shares.
124. If and so far as in the opinion of the Directors, the profits of the Company justify such payments, the Directors may declare and pay the fixed Dividends on any class of shares carrying a fixed Dividend expressed to be payable on fixed dates on the half-yearly or other dates prescribed for the payment thereof and may also from time to time declare and pay interim Dividends on shares of any class of such amounts and on such dates and in respect of such periods as they think fit.
125. Subject to any rights or restrictions attached to any shares or class of shares and except as otherwise permitted under the Act:-
- (a) all Dividends in respect of shares must be paid in proportion to the number of shares held by a Member, but where shares are partly paid, all Dividends must be apportioned and paid proportionately to the amounts paid or credited as paid on the partly paid shares; and
 - (b) all Dividends must be apportioned and paid proportionately to the amounts so paid or credited as paid during any portion or portions of the period in respect of which the Dividend is paid.

For the purposes of this Regulation, an amount paid or credited as paid on a share in advance of a call is to be ignored.

126. (A) No Dividend shall be paid otherwise than out of profits available for distribution under the provisions of the Statutes. The payment by the Directors of any unclaimed dividends or other monies payable on or in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof. All Dividends remaining unclaimed after one year from having been first payable may be invested or otherwise made use of by the Directors for the benefit of the Company, and any Dividend or any such monies unclaimed after six (6) years from having been first payable shall be forfeited and shall revert to the Company provided always that the Directors may at any time thereafter at their absolute discretion annul any such forfeiture and pay the Dividend so forfeited to the person entitled thereto prior to the forfeiture. If CDP returns any such Dividend or monies to the Company, the relevant Depositor shall not have any right or claim in respect of such Dividend or monies against the Company if a period of six years has elapsed from the date of the declaration of such Dividend or the date on which such other monies are first payable.
- (B) A payment by the Company to CDP of any Dividend or other monies payable to a Depositor shall, to the extent of the payment made, discharge the Company from any liability to the Depositor in respect of that payment.
127. No Dividend or other monies payable on or in respect of a share shall bear interest as against the Company.
128. (A) The Directors may retain any Dividend or other monies payable on or in respect of a share on which the Company has a lien and may apply the same in or towards satisfaction of the debts, liabilities or engagements in respect of which the lien exists.
- (B) The Directors may retain the Dividends payable upon shares in respect of which any person is under the provisions as to the transmission of shares hereinbefore contained entitled to become a Member, or which any person is under those provisions entitled to transfer, until such person shall become a Member in respect of such shares or shall transfer the same.

APPENDIX 2

THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

(C) A transfer of shares shall not pass the right to any dividend declared thereon before the registration of the transfer.

129. The waiver in whole or in part of any Dividend on any share by any document (whether or not under seal) shall be effective only if such document is signed by the Member (or the person entitled to the share in consequence of the death or bankruptcy of the holder) and delivered to the Company and if or to the extent that the same is accepted as such or acted upon by the Company.
130. The Company may upon the recommendation of the Directors by Ordinary Resolution direct payment of a Dividend in whole or in part by the distribution of specific assets (and in particular of paid-up shares or debentures of any other company or in any one or more of such ways) and the Directors shall give effect to such resolution. Where any difficulty arises with regard to such distribution, the Directors may settle the same as they think expedient and in particular, may issue fractional certificates, may fix the value for distribution of such specific assets or any part thereof, may determine that cash payments shall be made to any Member upon the footing of the value so fixed in order to adjust the rights of all parties and may vest any such specific assets in trustees as may seem expedient to the Directors.
131. Any Dividend or other monies payable in cash on or in respect of a share may be paid by cheque or warrant sent through the post to the registered address appearing in the Register of Members or (as the case may be) the Depository Register of the Member or person entitled thereto (or, if two or more persons are registered in the Register of Members or (as the case may be) entered in the Depository Register as joint holders of the share or are entitled thereto in consequence of the death or bankruptcy of the holder, to any one of such persons) or to such person and such address as such Member or person or persons may by writing direct.
- Every such cheque or warrant shall be made payable to the order of the person to whom it is sent or to such person as the holder or joint holders or person or persons entitled to the share in consequence of the death or bankruptcy of the holder may direct and payment of the cheque or warrant by the banker upon whom it is drawn shall be a good discharge to the Company. Every such cheque or warrant shall be sent at the risk of the person entitled to the money represented thereby.
132. If two or more persons are registered in the Register of Members or (as the case may be) the Depository Register as joint holders of any share, or are entitled jointly to a share in consequence of the death or bankruptcy of the holder, any one of them may give effectual receipts for any Dividend, return of capital or other monies payable or property distributable on or in respect of the share.
133. Any resolution declaring a Dividend on shares of any class, whether a resolution of the Company in General Meeting or a resolution of the Directors, may specify that the same shall be payable to the persons registered as the holders of such shares in the Register of Members or (as the case may be) the Depository Register at the close of business on a particular date and thereupon the Dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such Dividend of transferors and transferees of any such shares.
134. (A) Whenever the Directors or the Company in general meeting have resolved or proposed that a dividend (including an interim, final, special or other dividend) be paid or declared on the ordinary shares of the Company, the Directors may further resolve that Members entitled to such dividend be entitled to elect to receive an allotment of ordinary shares credited as fully paid in lieu of cash in respect of the whole or such part of the dividend as the Directors may think fit.

In such case, the following provisions shall apply:

- (a) the basis of any such allotment shall be determined by the Directors;
- (b) the Directors shall determine the manner in which Members shall be entitled to elect to receive an allotment of ordinary shares credited as fully paid in lieu of cash in respect of the whole or such part of any dividend in respect of which the Directors shall have passed such a resolution as aforesaid, and the Directors may make such arrangements as to the giving of notice to Members, providing for forms of election for completion by Members (whether in respect of a particular dividend or dividends or generally), determining the procedure for making such elections or revoking the same and the place at which and the latest date and time by which any forms of election or other documents by which elections are made or revoked must be lodged, and otherwise make all such arrangements and do all such things,

 - (d) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on ordinary shares in respect whereof the share election has been duly exercised (the "elected ordinary shares") and in lieu and in satisfaction thereof ordinary shares shall be allotted and credited as fully paid to the holders of the elected ordinary shares on the basis of allotment determined as aforesaid and for such purpose and (notwithstanding any provision of the Regulations to the contrary), the Directors shall be empowered to do all things necessary and convenient for the purpose of implementing the aforesaid including, without limitation, the making of each necessary allotment of shares and of each necessary appropriation, capitalisation, application, payment and distribution of funds which may be lawfully appropriated, capitalised, applied, paid or distributed for the purpose of the allotment and without prejudice to the generality of the foregoing the Directors may (i) capitalise and apply the amount standing to the credit of any of the Company's reserve accounts or any sum standing to the credit of the profit and loss account or otherwise for distribution as the Directors may determine, such sum as may be required to pay up in full the appropriate number of ordinary shares for allotment and distribution to and among the holders of the elected ordinary shares on such basis, or (ii) apply the sum which would otherwise have been payable in cash to the holders of the elected ordinary shares towards payment of the appropriate number of ordinary shares for allotment and distribution to and among the holders of the elected ordinary shares on such basis.

(E) Notwithstanding the foregoing provisions of this Regulation 134, if at any time after the Directors' resolution to apply the provisions of paragraph (A) of this Regulation 134 in relation to any dividend but prior to the allotment of ordinary shares pursuant thereto, the Directors shall consider that by reason of any event or circumstance (whether arising before or after such resolution) or by reason of any matter whatsoever it is no longer expedient or appropriate to implement that proposal, the Directors may at their absolute discretion and as they deem fit in the interest of the Company, cancel the proposed application of paragraph (A) of this Regulation 134.
